

THE CITY OF SAN DIEGO

January 12, 2010

Dear Property Owner or Interested Party,

Subject: Final Draft *Carmel Mountain and Del Mar Mesa Preserves Resource Management Plan*

The City of San Diego's Multiple Species Conservation Program (MSCP) of the City Planning and Community Investment Department (CPCI) and the Open Space Division of the Park and Recreation Department have prepared a Final Draft of the aforementioned Resource Management Plan (RMP) which incorporates and/or addresses comments provided in from October 2008 through February 2009.

You are receiving this letter because you have previously expressed interest in the Plan or because the County Assessor's office identifies you as the owner or owner's representative of land within the proposed RMP area.

The *Carmel Mountain and Del Mar Mesa Preserves Resource Management Plan* boundary is within the Carmel Valley and Del Mar Mesa community planning areas. Community Plan Amendments (CPAs) are required for the proposed trail alignments, and the RMP and the CPAs will be reviewed by the Carmel Valley Community Planning Board and the Del Mar Mesa Community Planning Board. Additional CPAs may be required for off-site trail connections, which would be reviewed by the affected community planning groups. The RMP has not been docketed on any of the community planning group agendas at this time.

The RMP will also be presented to the Los Peñasquitos Canyon Preserve Citizens Advisory Committee (CAC). The CAC meeting is scheduled for February 18, 2010; please visit the CAC website at <http://groups.yahoo.com/group.lpcpcac> for more information regarding this meeting.

The plan can be accessed at <http://www.sandiego.gov/planning/mscp/> or a CD may be obtained from Betsy Miller at (619) 685-1314.
